

# ADULT CLASS NEWSLETTER

## MARCH 2018

We would like to thank each and every one of you for supporting the school in what has been the busiest January we have ever had.

We now have more than 700 adults on our weekly classes and socials 😊

If you have now been dancing for more than 12 weeks we highly recommend that you attend a social dance at least once per month to practice. Remember, practice makes permanent.

By far the most popular style is Ballroom & Latin, but most people find it beneficial to also learn Sequence, Rock n Roll & Argentine.

We are delighted to offer our members the full range of ways to enjoy dancing, and although we regularly sell out with people attending from all over the UK & Europe, very few of our own members attend our Blackpool Tower Dances or Dance Holidays.

We would love to see you on one of these fabulous events and really enjoying the best bit of learning to dance.

These Dance events and weekends are for anyone and everyone from absolute beginner and beyond.

For more information see our website or speak to your teachers.

Why not arrange a night out with the rest of your class?

-----  
We will be placing an order for the following at the end of February

Adult T-Shirts just £10, Polo Shirts just £12 (both available in black or pink)

Hooded Jackets Just £25 (available in purple or black)

Zip Shoe Bags just £8, Pull String shoe bags just £8

To place an order please see reception  
-----

### ➤ 1-1 LESSONS

- Don't feel that your class suits you? \*Want extra practice or more help?
- Would you like to brush up on your technique? \*Missing for holidays or due to illness?
- Want to learn a new style OR a particular dance?
- Competitive coaching also available for Children & Adults

There really is no need to struggle. Simply speak to your teacher and we will be happy to guide you to get the best from your dancing...

1-1 lessons are available most days -

TO BOOK CALL PHIL ON 07872 146896

### ➤ ALTERNATIVE CLASSES

Everyone learns differently so all of our classes now run back to back. This means each week the same style and level of class will cover the same routines, so if you wish you can attend more than once a week.

Also, if you are struggling to make your current day and time speak to your teacher to find an alternative.
