

HURST DANCE STUDIOS NEWSLETTER

SUMMER 2022

This is shaping up to be one of our best years yet at Hurst Dance Studios! With all the events locked in, we can't wait to celebrate all the good things with you this year. We have live bands, themed events (always optional to dress up), Dance weekends and even dances at the Famous Blackpool Tower Ballroom!

As always, we love feedback, so if you have any questions, concerns or queries just ask. We're always here to talk.

Happy Dancing, Phil, Kathryn and the HDS Team.

SUMMER 2022 IS ALL ABOUT FUN! AND WE WANT TO REWARD YOUR SUPPORT.

Class Members Free Socials - If you attend any of our dance classes and pay monthly, you can attend either our Wednesday or Sunday night social dance each week free of charge.

8 Free Classes Every Week- Yes they're back, before all Socials. See our information board for listings of which dance will be covered this week.

Half Price Social Dances - We have quite a lot of our members attending twice per week - so to help, you now get your 2nd social dance in the same week 1/2 price.

- First Tea Dance £5.50 – The second just £2.75
- First Evening Social £7.50 – The second just £3.75

Private Dance Tuition at Hurst Dance Studios- available 7 days a week
Available from absolute beginner to advanced competitors, private lessons are an amazing and effective way to learn and perfect your dancing.

A one hour private lesson is proven to be the equivalent of 4 classes, so they're very economical too.

Classes are a great way to learn but only go so far with technique due to time. So if you want to fine tune your dance skills, learn some new choreography, or brush up your technique, 1-1 lessons are great.

Choose either half an hour or an hour and learn whichever dances you want with the teacher of your choice, Phil, Kathryn or Alana.

You can even book a group lesson and share the cost with friends.

Children: £15 per half hour Adults: £20 per half hour

A PLACE TO RELAX

With the stresses in life and the world this past two years, and especially now, many of us are feeling the strain and need a place to unwind.

We truly want you to see the studio as your second home. We would love nothing more than to see you come early or stick around after the class, chat with the other class members and enjoy a coffee or beer. You are more than welcome to do so.

Did you know we run;
