

GIVING SOMETHING BACK! A LITTLE THANK YOU FROM US TO YOU.

Please take 5 minutes to read through this – you really will benefit from it 🙏

We want to thank you all for the fabulous support over the past 12 months.

We had an awful lot going on, including illness within our family, and lots of challenges running a business, all whilst looking after our 4 children. We feel it took us away from our very high standards for a little while.

BUT we are back on full steam! We have been busy over Easter and have all new choreography for May, plus we have invested a lot of money in new music too.

We truly want to get back to how it started for us, not as a business but purely for the love of dance, to share our passion with others to the very highest standards, with lots of fun.

And it doesn't stop there 🙏

During the dreadful 2 years of 2020 and 2021 you all really helped us to stay afloat as many other studios closed their doors for good.

We can never thank you all enough.

But in these tough times as bills rise at home, we would like to try.

So, starting from the 9th of May we have some **fabulous freebies** for you, so that you can dance even more, which means more fun and enjoyment (which we all need right now), and it won't cost you a single penny.

Class Members Free Socials - If you attend any of our dance classes and pay monthly, you can attend either our Wednesday or Sunday night social dance each week **free of charge**. No need to book, just come along to either of them. They're great not just to practice what you've learned on the classes, but also to chat with the other lovely members, have a coffee/beer, or simply for a great night out to watch the other dancers.

Free Classes - They are back before all Socials and Tea Dances.

EIGHT FREE CLASSES EVERY WEEK.

- **Sundays 7.15pm**: Beginners Sequence in the main ballroom
- **Sundays 7.15pm**: Intermediate Sequence upstairs
- **Tuesdays & Thursday 1pm** we will do something different each week, a sequence dance or some Ballroom or Latin short routines to add to your existing choreography (details will be listed on the info board at the studio)
- **Saturdays & Wednesdays** we will have two classes:
 - **6.30pm & 7.15pm** - will do something different each week, a sequence dance, Salsa, Argentine or some Ballroom or Latin short routines to add to your existing choreography (details will be listed on the info board at the studio)

Half Price Social Dances - We have quite a lot of our members attending twice per week - so to help, you now get your 2nd social dance in the same week 1/2 price.

- First Tea Dance £5.50 – The second just £2.75
- First Evening Social £7.50 – The second just £3.75

That means for Just £8.25 or £11.25 You can have 2 full days of dancing and 2/4 classes, which works out at about £1 per hour 😊 Cheaper than putting the lights and heating on at home.

A PLACE TO RELAX

With the stresses in life and the world this past two years, and especially now, many of us are feeling the strain and need a place to unwind.

We truly want you to see the studio as your second home. We would love nothing more than to see you come early or stick around after the class, chat with the other class members and enjoy a coffee or beer. You are more than welcome to do so.
